### SPRINGERVILLE LETTER.

Big Church Doings in Springerville. The Lady Aiders—"To Be Or Not To Be, That Is The Question."

Rev. Miller called the members of the Presbyterian Church and The Lady Aiders together Wednesday night to let them know what the Ladies Aid Society was and what it was working for. Non Church members have gotten in control of the society and are trying to "slip one over". The Presiding Elder and the Minister told the ladies just where they stood, as far as the church is concerned. In short, The Ladies Aid Society of the Presbyterian Church of Springerville, Arizona is going to be run by the Church, for the Church, and not by officers of the society alone, for the good of what they think is "just the right thing".

Only a few members were present to face Rev. Miller but the ones who were there, spoke "straight out and told him a few things". Rev. Miller told them that he was going to be at their next meeting, whether invited or not. He had never been invited to one of the meetings but is going to "butt in" and help them run things in the Lord's way.

The by-laws were read and explained to those present, and the Minister's attention was called to an amendment "written down in black and white" which says "The lady who drops out of the society shall be made to pay both dues and fines until she sends in a written resignation." Rev. Miller wanted to know who was going to collect those dues and fines; he might get the same person to help him out.

It was positively stated that "two of the officers would drop out" and that "some of the Lady Aiders" would have joined the Church if this trouble had not come up". Rev. Miller had suggested that a stereopticon be purchased with some of the lady aid money and this was afterwards discussed by some of the members. One of the ladies said that the Rev. Miller wanted to buy a "stereopticon" and another spoke up and said "it is not, its a magic lantern." Further developments will be awaited with interest.

#### Later:

Tourist flying both ways to and from Springerville, to get ahead of the snows etc. etc. etc.

Mr. and Mrs. Stewart Edward White passed through here on their way home after about three weeks hunting in the White Mountains. Mr. White reports a scarcity of game, but then he is used to hunting in Africa. Those who read Mr. White's recent story "The Leopard Woman" in the Saturday Evening Post will now agree that Mr. White has had "some big hunt" in that Dark country.

Among those in town to take the Ranger's Examination in the Forestry Service were Vain and Roy Snyder, and Roy Swapp.

Julius Becker went to Albuquerque on business for the Becker Mercantile Company.

Des Royal has moved his barber shop next door to Speck & Co. which building is just being remodeled.

Some of our esteemed citizens who have been "riding the Water Wagon" have dropped the whip while others have lost the whole hind wheel.

The Ladies Aid Society of the Presbyterian Church of Springerville, Arizona met at Mrs. Becker's residence last Thursday, the Minister and Elder being among those present.

Afraid all of the office-seekers are not going to be elected next Tuesday. Somebody's goin' to be sore, eh.

#### Now Lookout

When a cold hangs on as often happens, or when you have gotten over one cold before you contract another, lookout for you are liable to contract some very serious disease. This succession of colds weakens the system and lowers the vitality so that you are much more liable to contract chronic catarrh, pneumonia, or consumption. Cure your cold while you can. Chamberlain's Cough Remedy has a great reputation. It is relied upon by thousands of people and never disappoints them. Try it. It only costs a quarter. Obtainable everywhere. Adv.

H. A. Berry left for Prescott to take a position with Dr. Blain, president of the State Dental Board. Dr. Blain's selection of Mr. Berry to look after his office while away speaks well for Herbert. He will stay there until his offices are ready at Whiting's.
